19 November 1955

**MEMORANDUM FOR THE RECORD**

**SUBJECT:** [redacted] Movement

STAT

This is to note for the Record that the undersigned advised [redacted] West Coast Security Officer, to inform Lockheed officials that the landing of the [redacted] scheduled for 20 November with air lift to Watertown on 21 November should proceed as scheduled. This instruction was in accord with the considered opinion of Project officers and a representative of Headquarters Command, USAF. It is understood that [redacted] is in Los Angeles and will supervise the landing and movement operation. Further security protection will be provided by Lockheed.
